

MobiNote Hipper 50 MP3 Mood Creator

Hipper 50 - a simplified yet enhanced version of Hipper 100

There is always a lighting mode for your every different mood

Embedded there are many different lighting modes to suit your everyday mood. Music mode, ambient lighting mode, disco mode and more!

Cozy Atmosphere

The soft lighting LED gently changes up to ten preset coloring tones. Each and every coloring tone has been carefully tuned and adjusted by professional designers to create a cozy atmosphere and enchanting moment.

Mood Generator

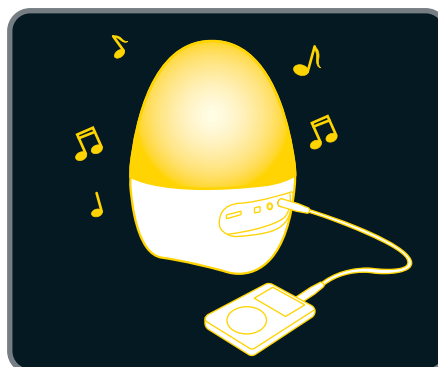

With stylish and fashionable design, it blends into your house's existing decoration. It's an unique home decor accessory that creates moods. This is "the" ultimate mood generator!

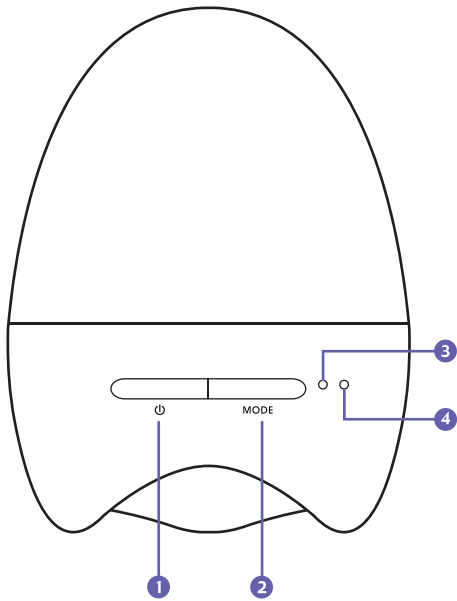

Live Party

Hipper's LED light responds to the tempo of your music. With each beat of the music, it follows and changes color in real time! You can enjoy a live party with your friends and close ones in your personal space.

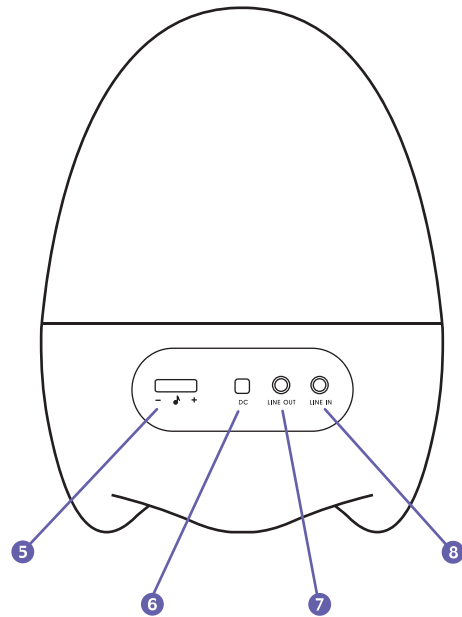

Stress Relief & Mental Healer

- Playing religious music in soft lighting mode purifies your restless mind, leading you into a state of harmony and relaxation.
- Playing lullaby with Hipper improves your baby's sleeping quality and makes your baby sleep easier.
